

DJ GODFATHER ft. DJ OMEGA GHETTO ELECTRO

Blazing a trail into the new decade, Giant Pussy have snaffled none other than **DJ Godfather's** Ghattotech anthem: Ghetto Electro.

DJ Omega's

vocal rides the tight Detroit beats and bass in a booty-shaking ass-whipping monster of a record.

And on remix duty, the mighty **Nom De Strip**, delivers his strongest remix to date. A battle-weapon in both **Tim Healey** and **Deekline's** DJ sets, the ripping bassline and effortless funky groove will drive you till the dawn.

Next up, following his hugely successful electro-house debut in 2009, German hip-hop supremo **TAI**, (aka Tai Jason) carves up the original in his inimitable style: and unleashes a monster Liberace-esque piano break guaranteed to turn any party on its head, before demolishing the dance-floor with more bass to-die-for.

Keep it locked on Giant Pussy.

Coming soon: **Felguk ft Sporty-O**, and more, much more, from **Tim Healey & Deekline**
