We're really happy and proud to present MACHO's 3rd single for our label! The Slovakian Breaks producer is one of the key members of V.I.M.BREAKS family. A quality artist with some killer stuff for our label, RAVEART RECORDS, DIGITAL SENSATION UK and his own label BREAKS SK RECORDS. Two really great original tunes backed with dope remixes by the French rising Psy-Breaks producer MartOpetEr (watch out for more by him in our label during this year!) who's already got some stuff for RAVEART RECORDS, AUX TECHNOLOGY and one of the best Proggy-Breaks producers around and label owner of the rather excellent RUNE RECORDINGS, PARALLAX BREAKZ doing his second remix appearance for our label (watch out for his first proper single for V.I.M.BREAKS this year!).

MACHO "Breakstar"

Phat and distorted, crisp and clean, MACHO style with melodic drops, vocal adds, distorted synths and simple yet effective groove.....

MACHO "Breakstar (MartOpetEr remix)"

Darkish and floating with superb build-up these are MartOpetEr's rules with deep chords, killer bass, Psy influences, crisp hats, police sirens and amazing groove!

MACHO "Rewind"

This is crisp and clear with the trademark Proggy Macho twist added to some funky goodness, vocal cut-ups and superb floating!

MACHO "Rewind (PARALLAX BREAKZ remix)"

Parallax qualities are simply amazing. This is an astonishing piece of Proggy-breaks sunshine with quality use of the original material and some tough n' crisp super floating Psy-Breaks elements!

Available Mid September from selected major online retailers.

my favourite track is the Parallax Breakz remix I like his style, very rhythmic! 4/5

8.MOBIUS (DUSTED BREAKS, FLEXTONE RECORDS, YELLOWFINGER COMMUNICATIONS, V.I.M.BREAKS, NSB RADIO)

Original mix of Breakstart is pretty cool, nice bubbling acid and some quirky, energetic sounds

9.XEN OCHREN (V.I.M.BREAKS)

Love the funky drop on the Rewind original!

The Progressive depth of the the Parallax Breaks mix sucked me in too

The one really going in my bag of tricks though is the MartoOpetEr mix, a nice outdoor party cruiser...

10.STEVE MACCABE (V.I.M.BREAKS, R3TOX RECORDS, DIABLO LOCO RECORDS)

Hi mate, thanks for the promo pack

The MartOpetEr remix is my pick from the package, quite a nice, dark rolling peice of tech breaks, always progressing and enough little noises to keep me interested throughout, great bassline too. Will support. Not keen on the other mixes though i'm afraid, not really my tastes.

Thanks

Steve

15.ANDY FAZE (V.I.M.BREAKS, RUNE RECORDINGS, BREAKS SK RECORDS, FNOOB RADIO)
Hi Gregory,
Thanks for the latest VIM release!
Very nice EP! Macho's singles are pretty cool and techy. Rewind is the best out of the 2 originals. The remixes are very interesting. Loving the deep psy feel of the MartOpetEr remix and Parallax Breakz smashes it again with his version of Rewind - my favourite

Great stuff all round, support!
Cheers,
Andy

16.DJ FASTBINDER (FUTURE BREAKZ LIVE SHOW ON FNOOB RADIO)

Just received the new V.I.M.BREAKS promo and the tracks are fucking dope. BIG UP! So are the remixes, cracking release again from this massive label!

17.JOHN GRIEF (DEFINITION:BREAKS)

Thanks as ever for the promo.

The Parallax Breakz remix is the one for me on this package. I liked the original of Rewind until the "Get Busy" sample was dropped in then it lost it - so the remix is the definitely where its at! Will try and spin this on the radio show.

John.....

18.LLUPA (DISC BREAKS SHOW ON NSB RADIO)

hey guys,

Digging this - gave both remixes a spin on the show last week - great work!

Cheers,

Tom Llupa

Breakstar is my fav out the 2 originals, deep and proggy for the dancefloor, nice.

MartOpetEr remix is a real nice progressive take on the original, yeah feeling this.

Its not Parallax breakz best work but a nice roller, i could tell its him without even looking.
