6.LLUPA (DISC BREAKS WITH LLUPA ON NSB RADIO)
hey Greg,
Here's another for ya
Original is a cool groover, if a little minimal. Not feeling the AD remix - all stomp and no groove. Like the low slung-ness on the Sasser version.

25.STEVE MACCABE (FELTZER, V.I.M.RECORDS, DIABLO LOCO RECORDS)
Hi mate, thanks for the Dr Fish promo pack.
None of the tracks are really my cup of tea i'm afraid.
Access Denied remix has a very powerful, heavy bassline that you come to expect of them and is probably the pick of the package, production wise.
Some interesting little noises on the original which grabbed my attention, but overall the pack is not really for me.
Thanks
Steve

27.CAPTAIN MORGAN (UP FM)

Hey Greg,
Thank you for sending the promo mate!
I really like the original. I love its funky bassline with slow building acid stabs that turn full on psy in the second drop.
Access Denied remix is, as usual, top quality balls-to-the-wall sound which will tear dancefloors apart.
Definitely support this release.
Thanks again,
Morgan
