DIABLO LOCO RECORDS is the new quality label focused on Tech-Funk, Electro-House, Tech-Breaks sound by top artists of the international scene. Inspired by the traditional Mexican wrestling culture and the famous Luchadores the label aim to deliver top class singles, remixes, compilations and design!

Things are moving fast in Lucha Libre world! VIBAL comes in colours, known as Dr.Destruction, he's the leader of the super hero Luchadores team Les Formidables. He's a big fan of Fantomas and owns a Citroen CX he claims once belonged to Charles De Gaulle. However he has displayed a great deal of fallacious knowledge that borders absurdity, he believed that Mexico defeated Britain in World War II and is under the impression that J.K. Rowling, Shakespeare and Stephen King are French authors. Despite all these he truly Loved Beats, and when he's having some free time he's doing nothing more than creating tight, pumpin, sexy, phat and rather superb Breaks tracks with a dash of Oldskool action!!
