Spanish Luchador DESTILUX aka "Primero Faya" is back on action with another ultra thrillin and dope funky Breaks anthem. As a child was educated how to identify mysterious symbols in the forests and the sky, how to survive alone in the jungle and how to fight with his own hands against big animals like leopards and tigers. His style is unique as he's combining ancient moves of Uakti with some special Tech-Funk tricks, his powers are irresistibile and his superior move "Faya" (when he attacks like a burning fire to his opponents) is something that gave him the leadership in the League Of Extraordinary Luchadores Gentlemen!!
