Chevy One - Be Mine ***OUT NOW ON BANDCAMP!!!*** Posted by thegulfgateproject - 2021/12/21 19:23

Chevy One drops his latest single Be Mine on Toast & Jam this week and we can't wait to get this one out to dance floors everywhere! Be Mine comes storming out of the gate with a pitched down vocal and a shuffling drum loop that builds to the first drop. A massive tribal-sounding kick and snare combo creates a head-bouncing vibe and the use of various synths along with a pulsing bass line rounds out this production perfectly.
