

Shade K - Runko ***OUT NOW ON BANDCAMP!!!***

Posted by thegulfgateproject - 2022/03/07 01:03

Runko is Shade K's latest creation for Toast & Jam and he has us bouncing to this jam. The theme is a choral loop and tribal drums that set the stage during the first breakdown for what's about to come. At the first drop we are introduced to a classic Shade K tear-out bassline that will wobble and shake you right down to your bones. Peak-time party vibes from Shade K on this one!
