

Rory Hoy - This & That ***OUT NOW ON BANDCAMP!!***

Posted by toastandjamrecordings - 2022/07/18 03:20

Rory Hoy's debut Toast & Jam release This & That is a full throttle funk assault. Harkening back to vintage 90's Fat Boy Slim productions, This & That centers around a soulful vocal with chunky breakbeat drums and perfectly placed stutter effects that will have you singing along with your hands in the air. Looking forward to big things from Rory in the near future.
