

DJ Moon - The Killer ***OUT NOW ON BANDCAMP!!!***

Posted by toastandjamrecordings - 2022/11/16 02:34

Producing breakbeat music since the mid 90's, DJ Moon is a true legend in the history of the genre. We are honored to welcome him to the Toast & Jam family as he drops his new track The Killer. Complete with a funky guitar riff, walking bassline, and gated air raid sirens, The Killer is a quintessential slice of DJ Moon production ready to rock your next set.
