

Hexadecimal - Tonight ***OUT NOW ON BANDCAMP!!!***

Posted by toastandjamrecordings - 2023/03/29 04:28

Hexadecimal's latest offering Tonight is a majestic breakbeat anthem poised to make some serious waves on the club and festival scene this season. With a call and response vocal loop, Hexadecimal lends his ever zesty drums and percussion that we can't get enough of. High strings are side chained alongside a 16th note synth bass line with heaps of sub bass. The result is a high energy melodic masterpiece ready for you to inject into your next set.
