

Bowser & Paket - Don't Stop *OUT NOW ON BANDCAMP!*

Posted by toastandjamrecordings - 2023/05/15 23:58

Bowser & Paket have each been producing very consistent high quality tracks as of late, so it should be no surprise that their new track Don't Stop is a full-on banger. The bass line wiggles and weaves its way through the crisp drums as the vocal sample delays out over the drop. There are also some excellent syncopated percussion and acid synth elements splashed in throughout this high octane offering.
