

Prato - Emerald ***OUT NOW ON BANDCAMP!!!***

Posted by toastandjamrecordings - 2023/06/28 05:01

Prato is back on Toast & Jam with his latest single Emerald. Chunky, high energy drums, shimmering chord stacks, and a chanting vocal loop hit you right from the intro. A sawtooth bass line growls its way through the track giving this jam an epic, hands-in-the-air feel.
