

## Shifter - RIML \*\*\*OUT NOW ON BEATPORT!!!\*\*\*

Posted by toastandjamrecordings - 2024/01/18 19:01

---

We've unearthed a rare one for you this week from Moscow based producer Shifter. RIML is a melodic expression that combines layers of call and response vintage synths with lush piano chords using breakbeat as a backdrop. With warm, feel good vibes, Shifter keeps the mood light and funky with an infectious groove and ample dance floor energy. Can't get enough of this one!
