

Baxsta - Funky Hero ***OUT NOW ON BANDCAMP!!!***

Posted by toastandjamrecordings - 2024/01/18 19:28

It's time for some Ghetto Funk flava from Melbourne based producer Baxsta. Funky Hero is a mid-tempo affair featuring a scratched up vocal from which the song derives its title. Baxsta dials up heaps of sawtooth bass line action to dance back and forth with squelchy synth stabs as funky bass guitar and wobbling organ stabs keep with the theme.
