## F-Word & Hexadecimal - Standout \*\*\*OUT NOW!!!\*\*\* Posted by toastandjamrecordings - 2024/01/18 19:44

You know great things are about to happen when F-Word & Hexadecimal get together to produce a track. Standout delivers on its name, bringing a shuffling tribalistic groove and a buzzing bass line to set the vibe. A spicy female vocal sample and a cascading delayed synth add the top end sparkle as Standout stands poised to be unleashed in your next set.
