

Shifter - SEBP ***OUT NOW ON BANDCAMP!!!***

Posted by toastandjamrecordings - 2024/01/18 19:46

We're bringing you another Shifter synth symposium with his new jam SEBP. Brimming with 90's video game music vibes, SEBP is an uptempo breakbeat tune with arpeggiated and gated synths, chanting vocals, and a tasty piano melody. Dust off that old video game console and get ready to race for the checkered flag!
