

Kid Digital - Bangin Machine Remixed **OUT NOW!!**

Posted by toastandjamrecordings - 2024/01/18 19:49

Simon Apex & micah j have teamed up to bring us a fresh and funky new remix of the 2011 Kid Digital classic Bangin Machine. UK Garage drums set the vibe as a saxophone solo takes center stage out of the first drop. The bass line has heaps of bounce to compliment the drums as the hip hop vocal ices this funky breaks cake.
