

Vortech - Wub Steppin' (KMBREC002) + FREE DOWNLOADS

Posted by Udy - 2009/12/15 05:45

Jan 4th sees the full release of our 2nd rekkid: Vortech's genre mash-up Wub Steppin'. The Knob Jockeys remix has already featured on Rusko's 1 Xtra show and is available in 128k free download to whet your whistle. Filthy Rehab have recently been spun on Kissy Sell Out's Radio 1 show and their mix takes their own 'fidget' sound and stamps it all over the track.

Coin Operated Boy gets all dark on us and delivers a tech house rumbler with some serious funky grooves and the FREE promo remix from Mr Vega is already igniting dance floors all over with its balls out old skool techno flavours. Of course there is the original mix too: an electro tinged dubstep mish mash of sounds from the alter ego of worldwide techno legend Vortechtrai.

Full EP available Jan 4th from all good digital stores including Beatport, Juno, iTunes, HMV, Amazon, Beats Digital & DJ Download...
