Hi everyone!

Hubie Sounds returns to the air this Tuesday and, as I'm sure most of you are aware, this Tuesday is Valentine's Day. Now, I am aware that those who celebrate this annual event will probably be too busy wooing their loved ones with motorway-garage flowers and chocolates whilst I'm on air. So I will be programming part of my show accordingly with a selection of anti-valentines themed music...

However, I won't be going too far off piste as I am also aware that some loved-up peeps might still be tuning in. Bearing that in mind, I will do my best to provide a soundtrack to any amorous activities that might be going on with a fine selection of leftfield love songs and raunchy beats. I aim to please ;)

Yo peeps!

Thanks for tuning in to my seduction selection last night. If I was able to help anyone get their rocks off, or even just get a nice back rub or a cup of tea, then I guess I succeeded in my mission!

The show is now available to download from the NSB Radio archives, just click the link below...
