Hi everyone!

Later this week the bass-tastic Bass party returns to the Cornershop in Shoreditch, so this Tuesday night I will be celebrating with another Bass Special! As part of this special I will be playing the second installment of Bass residents rejectbeats excellent 'Everybody's Dead Dave' mix set, which is chock full of bass music win.

You can also expect to hear exclusive first ever radio plays of a new re-rub from Bass headliner Cut La Roc as well as brand spanking new material from breakbeat legend Merka, now recording under his new guise as Ford Audio.

More info about this week's Bass event can be found here. Keep an eye on bass-sic.co.uk for a few FREE Bass related treats due to hit later in the week!
