Hi everyone

Hubie Sounds is back on air this Tuesday night. This time around I'll be introducing a new feature to the show (that I have in no way stolen or borrowed from other radio shows, no sirree!) which I have cunningly titled Hubie's Classic Album Showcase! As I'm sure you've gathered from the amazeballs title, the feature focuses on a classic album from years gone by. To kick off this feature I will be playing in full one of, if not the, greatest breakbeat albums of all time – A Plump Night Out by the Plump DJs.

As well as this feature I'll also be spinning plenty of fresh new tunes to keep your booties shaking throughout the evening.

Hubie Sounds – Tuesday 24th April @ 9pm UK time – live and direct on NSB Radio!
