Howdy gang. Hubie Sounds is back after an extended 5th-week-of-January-related break this Tuesday on NSB Radio.

As it's that time of year when beleaguered boyfriends buy their beloved partners last-minute bouquets of wilted carnations from service stations the world over, I thought I might present another alternative Valentines Special.

As usual this won't be two hours of Love Unlimited ballads, instead I'm going to simply provide a soundtrack to whatever you might be doing during this romantic period – whether you're romancing a loved one, getting down and dirty, or simply chilling by yourself or with some mates and smoking a fat one – there will be classic tunes aplenty, no matter who or what you're getting freaky with.

Hubie Sounds 062 – Tuesday 12th February @ 9pm GMT – live and direct on NSB Radio!

Don't forget to join us in the Chatroom too!
