Hi gang. Hubie Sounds is back on NSB Radio this Tuesday with the first Bass Session of 2013!

As many of you are no doubt already aware, I moonlight as the co-promoter and resident DJ of popular East London bass music night Bass and we're throwing our biggest party yet this Easter weekend at the Bells Of Shoreditch, with special guest DJs Meat Katie and Peo de Pitte! Check out the Bass website for all of the event info!

So to get you in the mood for the party, I'm dedicating this week's show to all things bass music! As well as spinning loads of fresh new beats by the likes of The Chemical Brothers, Boys Noize, DJ Zinc and Justin Martin, I'll also be presenting a sneak peek of the hot new Bass Easter Podcast, which is chock full of bass music bangers and exclusives.

The Hubie Sounds Bass Session – Tuesday 26th March @ 9pm GMT – live and direct on NSB Radio!

Don't forget to join us in the Chatroom too!
