

Sat June 16th - Dov on Futurebreaks.FM

Posted by Dov - 2007/06/15 13:52

I'll be on San Francisco's longest running Breaks radio show from 4-5PM PST tomorrow afternoon (they've been doing it every Saturday afternoon for almost 9 years)

Tune In Live

Tune in live each week with your hosts dj PUSH, DJ M, Jus Wan, Canadub & special guests on Saturdays from 4-6 pm PST.

Our station, KUSF 90.3 FM, San Francisco is the strongest community radio frequency in San Francisco.

Damn, I missed it. I'll keep checking back their archives page and hopefully your set will be available for listening/downloading soon.
