I'm excited to announce the start of ReFreshed, coming straight out of Cali, airing the 1st & 3rd Fridays of each month from 9:00PM - 11:00PM PST. Format will cover ALL(!) forms of Breakbeat; from old skool funky Breaks, DnB, Dub, Trip-Hop and REAL Hip-Hop, to some of the wikidest, most dirtiest bangin'ist sh1t we can get our gloves on! Tons of guest DJ's, video web cast, and other wacky surprises.

Stay posted for further details, or give me a shout if any questions.

PEACE!
