Hey gang!

Hubie Sounds is back on air on NSB Radio this Tuesday night. This time around we will be donning our rose tinted spectacles, digging through the old record crates and presenting the first in a series of retrospectives, focusing on classic breakbeat tunes from years gone by. And to celebrate the recent 20th anniversary of Ninja Tune, we'll also be spinning some classics from that legendary leftfield label too.

But fear not hipsters, it won't be one big nostalgia-fest! There will be plenty of fresh new tunes as well, including new stuff from Stanton Warriors, Krafty Kuts, 601 and loads more!

Hubie Sounds, this Tuesday 12th of October @ 9pm GMT – live and direct on NSB Radio!

Don't forget to join us in the Chatroom too!
