

Supernatural

Posted by soundwave inc. - 2011/01/06 19:55

Our new podcast is now up and running titled SUPERNATURAL! Each episode is a high powered mix of the most upfront electronic music selection. The emphasis of supernatural will be on drum n' bass and breaks and it's available via iTunes or podomatic.

iTunes <http://itunes.apple.com/us/podcast/supernatural/id399347319>
