

Audio Synthesis with illusion on BPM.FM

Posted by illusion - 2007/06/20 07:25

Please tune in to www.bpm.fm every Wednesday night from 10pm until 11pm Eastern/Standard Time and from 9pm until 10pm Central Time. I will be hosting and djing my new radio show called 'Audio Synthesis' this Wednesday and every Wednesday thereafter on that site. I need listeners and I need your support! I hope that you are able to join me... Thank you for your time and thank you for listening.
