On Thursday 7th Jul 2011, 8-10pm (GMT), Cockney Nutjob will be hosting The Crazy Beatz Show, live from Bournemouth on <http://www.brap.fm/>

Tune in and enjoy some crazy Birfdays along with the usual lively, get you in the mood for the weekend mix of bass driven music. On this weeks we have a superstar guest mix from Peo De Pitte along with a mix of bad ass Breakbeat and Dubstep from myself a couple of days before my birthday!

Peo de Pitte hails from the city of Stockholm. Having relocated to London, Peo has been cooking up a storm with his original production; remix work and his late night, hands-up-heads-down DJ sets. He has been running his own label FlatOut Records, home to his two aliases Peo de Pitte and Haggstrom which has seen support on radio, in press and at the forefront on headline DJ's sets right around the globe. His hailed remix of 'Riverside' by Sidney Samson has so far clocked up over 75,000 downloads!

His trademark combination of big room beats and cutting edge synth's has resulted in making Peo one of the most exciting new producers to emerge since IKEA. With remixes and releases on labels such as Global Underground, SIMMA, Fingerlickin', LOT49, U&A, Frenetic and Champion Records, it is no surprise that he has won huge support from some of the dance worlds biggest acts like Afrojack, Crookers, Groove Armada, MJ Cole, Sinden, Roger Sanchez, Laidback Luke, Treasure Fingers, Kissy Sell Out, Elite Force, Jaymo & Andy George and Lee Mortimer. In-turn, this lead Peo to be invited to perform exclusive mixes for Annie Nightingale on Radio1 and Loose Cannons on Kiss FM as well as various radio stations worldwide.

In the year's Peo has been on these shores, he has not had time to stop, unless of course, his studio surrounds him. He has toured Australia playing to full capacity venues, slammed shows in all around Europe and endless clubs in the UK such as Fabric, The Egg and Ministry of Sound and he also dropped a very special VIP set at Global Gathering.

Men want to be him, woman can't help but dance to him and DJ's & producers are literally queuing up to work with him. Welcome to the world of Peo de Pitte.
