Hey everyone!

Hubie Sounds is back on the interweb airwaves this Tuesday night. This time around I've got a very special guest mix from Rockit Science head honcho DJ Ryu.

For those of you unfamiliar with Ryu's Rockit Science club night, may I suggest you check out their Facebook page and, once you've done that, clear a space in your diaries for the next Rockit Science event on Friday 19th of August! These parties are not to be missed, always guaranteed to be lots of fun and generally populated by the friendliest crowds Olde London Towne has to offer!

In the meantime, I hope you can join me on NSB Radio tomorrow night to get a taster of what you can expect to hear at one of Ryu's Rockit Science nights. I'll also be spinning the usual selection of hip hop, funk, breaks, house and bass music, so I hope you can join me!

Hubie Sounds – Tuesday 9th August @ 9pm UK time – live and direct on NSB Radio!

Don't forget to join us in the Chatroom too!
