Ez all

Hubie Sounds is back on the interweb airwaves this Tuesay night and this time around Hubie will be joined in the studio by a talented duo who call themsleves Ruffick. Some of you might know them by their previous handle J\*O\*K\*R – these lads have been tearing up the fidget and rave scene for some time now and have been turning a lot of heads with their excellent bootleg, Original Stuttah.

Ruffick are throwing a big party this coming weekend in aid of Oxjam, called Audio Splendour, at the Raving Buddha in Shepherds Bush, with a host of big names such as RackNRuin, The Living Graham Bond, Kid Blue, Gella and loads more. So we thought we'd get the lads down to the studio to do a live mix and tell us what the event is all about. You can expect to hear a party mash up of rave, house, techno, breaks and everything else in between!

Hubie Sounds with Special Guests Ruffick – Tuesday 27th September @ 9pm (UK time) – live and direct on NSB Radio!
