Hey y'all!

The first Hubie Sounds of 2012 airs this Tuesday night and I thought, in order to help chase away the January blues, I'd fill the show with funky beats and warm, soulful vibes. So yeah, 'why not do a funk & soul special?' I thought to myself. I haven't done one for a long time so another one is well overdue really, I'm sure you'd agree!

You can expect to hear funky tunes old and new by the likes of Curtis Mayfield, The Isley Brothers, James Brown, Featurecast, A.Skillz, Nick Thayer and many more!

The Hubie Sounds Funk & Soul Special – Tuesday 10th January @ 9pm UK time - live and direct on [www.nsbradio.co.uk](http://www.nsbradio.co.uk)

Don't forget to join us in the Chatroom too!

For all the details, including how to tune in to NSB Radio, please read on...

I spose I should take a brief moment to mention Breakspoll. As I'm sure a lot of you are aware by now, voting for this year's annual Breakspoll Annual Breakbeat Awards is now open. I'd just like to take this opportunity to say that if you enjoy listening to NSB Radio, we'd really appreciate your vote for Best Radio Station.

And of course if you want to show your support for Hubie Sounds by voting for the show as Best Radio Show, then please do! I don't want to bang on about who you should vote for, I'm sure you've already made your minds up anyway, so I'll leave it at that. We really appreciate your support though, so thanks very much.

You can make your votes here: <http://www.breakspoll.com/voting/>
