

Revive! Breakbeat Radio Show with Retroid and Gues

Posted by retroid - 2012/10/21 11:35

Hey,

i thought i make a topic for my monthly radio show so it will be easier to follow it for anyone who interested in fresh progressive and psy breaks tunes! You can download the previous 40 episode from my website at <http://www.retroidmusic.com!>

About the show:

Revive! is a ultimate breakbeat radio show, where you can listen to the best breaks music without any limitation. You can expect a interdisciplinary and colorful two hours in the world of broken beats, where all sub-generes are welcome! Each month during the show your breakbeat guides will be Retroid and his diversified guests. In the first part of the show Retroid presents a varied mix selection featuring tunes from past, present and forthcoming releases. In the 2nd part you can enjoy his guest's mix, who will be each month a different dj or artist from the breakbeat scene.
