

Themed sets - tell a story

Posted by TrueSkool - 2015/12/07 12:12

Some favorites:

Dream theme set by SKYNET - live at Dream Music Festival

Electro Rock-Coalesce - all classic & rock music mixed by SKYNET

31 trax of mixed Halloween themed horror. the whole 80 min mix is a true masterpiece slashing thru most popular thrillers including Ghostbusters, American werewolf, Poltergiest, Saw, Nighmare on Elm Street, Nightmare before Christmas, Vendetta, hunted mansion and more.

Continuous dj mix of Transistor Bass volume 1: A tribute album paying homage to the root of acid, 303 transistor bass sounds and machines that jump started an electronic music revolution.

BASS WARS was music done for a themed party we did early in 2015 featuring Dynamix, Systemattic, SKYNET, Jellybean, Love N light and more. . . check out the amazing video on youtube
