EMC Afterparty DJ Competition

Main event: <https://www.facebook.com/events/301191799931836/>

There are two competitions: both winning DJs will win a one hour set at the afterparty, free entry to the main event, and free entry for two friends!

COMPETITION ONE:

To enter, upload your mix onto www.soundcloud.com – then post the link here for the public to pass judgement!

Not really many rules to follow, just make sure you're available on the 17th March!

This is going to be a psytrance afterparty - PLEASE make sure you take this into consideration with your entries (for example, a minimal techno mix won't really fit with the vibe...)

To vote for your favourite mix, simply press "like" – the mix with the most "likes" by Friday the 9th of March at 8pm will win!

Please please keep the event wall clear, just for mixes. (we'll be checking!!)

COMPETITION TWO:

The same applies, get your mixes on the event wall, but this time, the illumiNaughty crew will be picking a favourite mix to determine which DJ will perform at the afterparty!

Any questions/queries – email buz@illuminaughty.co.uk

Most of all, have fun!

Beatnik (Liquid Rec.)

<http://img828.imageshack.us/img828/4967/25577425934216222671052.jpg>

BeatNik is a 21 year old Psytrance music producer and DJ, who, despite his young age, has already been producing electronic music for over a decade. His sound is a combination of many elements: From funky, cheeky electro edged grooves, via full-on darker sounds and structures, to filmic, epic soundscapes. All this is combined with his highly energetic live set which has travelled as far Brazil, stopping off around Europe on the way, and of course featuring regularly on the English trance circuit.
