The biggest night of the partying calendar, New Years Eve, sees Border Community ringing in 2013 on a high note. Known for scouting artists and releases that are slightly left of centre, the label has long been a platform for icons such as electronica king Nathan Fake, Luke Abbott and label head honcho, James Holden. Lovers of the labels' output can expect a psychedelic and trippy journey into the New Year as the soon to be announced special guests will be making sure the good spirits will be going well into the twilight hours.

Venue Announcement

We are very pleased to announce that we will be seeing in the New Year in Peckham. Both our NYE & NYD parties will be at Peckham Palais. Spread over three different floors we feel that it is the perfect place to welcome in 2013. As usual Sound Services will once again be providing the sound so you can expect the same quality as all the previous Hydra events.

Venue address:
Peckham Palais
1 Rye Lane
Peckham
SE15 5EW

Nearest station is Peckham Rye. This has now been connected to the over ground, which means that for all you east London lot you can get a direct train. Trains run every 15 mins starting in either Highbury & Islington or Clapham Junction.

We advise checking the TLF website for updated train times over the New Year period:

<http://www.tfl.gov.uk/>

There will be a cab service outside the venue at the end of the night.

A few things to remember ahead of the NYE & NYD:

We will be using the RA Bar Code tickets so you must bring a print out of your ticket

The bar is CASH ONLY – there is cash back facility but we advise bring enough cash for the night

There will be a fully staffed cloak room – please note this is located on the 3rd floor

Remember NYD starts at 6pm so make sure you get down early.

Look forward to see you all :)
