Don't front: your ass missed us. Yes, your mind may have been elsewhere – riding a pink unicorn across the Playa, catching a sweet sunset from a clandestine Brooklyn rooftop, or playing cribbage with your Aunt Sal. We don't judge! Our concern is with our good buddy, your ass. Your ass, which has been languishing in breakbeat purgatory as our little party took a three-month hiatus to regroup and recharge. Your ass, which has maybe felt a little flat in our absence. Your ass, which misses dropping low, hitting the floor, and bouncing right back up for more. Yes, DAT ASS. Asses of Brooklyn and beyond, we're talking to you! Good news... dat ass is about to get its groove back. On Saturday, November the 8th, Vitamin B makes a big-ass comeback with our 6-Year Anniversary Party at The Paper Box. Yes, it's on a Saturday... because your ass is just that special to us (it has absolutely nothing to do with when the venue was available, we swear).
