

WE WANT YOUR TUNES! The Breakthrough Sessions

Posted by djdopejack - 2009/05/08 09:17

Hi guys!

Well with our first show in the bag we've been having a little sabbatical here at Breakthrough Towers, though now is the time to crack on and start sourcing fresh music for the next show.

That's where you lovely people come in. We're all about the underground and unsigned music here at the Breakthrough Sessions, encompassing the whole spectrum of broken beat music, from Nu Jazz to Breakcore and everything inbetween.

Maybe you're an up and coming label who feels like they need more airplay. Maybe you're a producer or you know a producer who would like to hear their music played on the biggest breaks station in the U.K. If so get in touch with some links to your music, or alternatively you can send over some 320 mp3's to:

djdopejack@live.com

along with any info you would like read out with your tune - releases, gigs, websites etc. and we will get it on the air for you.

We've had a great response so far, with tunes from the likes of Illogical, Beat Rangers and NSB's very own OG!

The next underground and unsigned show is Thursday 28th May at 5pm GMT so there's plenty of time to get those beats in.

If you can't wait that long the Breakthrough Sessions goes all Drum n Bass on the second Thursday of the month with the next show touching down on 14th May 5pm GMT.

Check us out on www.nsbradio.co.uk

Looking forward to hearing what you got peeps!

Peace
