Evolution CQ AKA David Alexander has been involved in the underground music scene since 1993. Dancing at parties in Central Florida to the Northwest, David has watched the scene grow from coast to coast. In 2000, with a little help from his friends, ECQ was born. ECQ has urbanized his skills behind the decks making him one of the best up and coming DJs on the West Coast. Playing his unique style of funky electro breaks and hard hitting bass along with his stage presence and MC abilities make his performance a show not to be missed. Now living in the bay area, ECQ and MC UPROCK have joined forces with the STRATEGIK crew. keep your eyes open for MC UPROCK, in the process of working on tracks with MYAGI, The Carbon Community and as a member of his own Live Group THE DIRTY WAX TECHNICIANS.

Just wanted to thank everyone for listening, we had a lot of fun on Friday.

Some important shouts:

- ECQ for coming out & dropping a sick set. Video archive @: <http://www.ustream.tv/recorded/8472613>
- Adam12 for letting me use his CDJ1000's, since mine were not worthy for this episode.
- Twink, Dean, Katya, Dangrsmind, and Wino for the help on Promoz.
- All the headz in our chatroom I saw keeping it alive (sorry I'm not going to name namez on this one, because I'll probably forget someone. But you all fucking rock.)
