Posted by Bill Samuelz - 2010/09/14 13:02

ReFreshed will be taking this Friday off (damn gigs!!!) so I can play a camp out (yo Bay Area headz-peep <http://strategiksf.com>), however we'll be back on Friday 09/24 LIVE FROM BUDDY'S CANNABIS COLLECTIVE! Yep, you read that right, we're broadcasting live from 'the club,' and I mean THE club!!!

If you have a medical card, hit me up for details if you'd like to join us for the show. If not, tune in Friday 09/24 right here on nubreaks.com for the audio & video feed. This episode will be co-hosted by our newest ReFreshed resident DJ, Dean Kroh! Joining Dean on the decks will be Marc(o), representing SF & DC. Should be another slammin night, so keep it locked bitchez!
