AURAL ABUSE

Alan Walsh aka AURAL ABUSE is a rising dark driven Breaks producer from Dublin, Ireland. He had started his career as one half of C-QUENCE but after the project stopped he started producing Breaks stuff as AURAL ABUSE. With influences from Electronica, Downtempo and even Techno he managed to create a really solid and quality sound which balance perfectly in the darkish deep end of Breaks!

AURAL ABUSE got some stuff released on BREAKBEAT ERA RECORDINGS, FIRST STAGE UNDERGROUND RECORDS, D'ANIM8 RECORDS and GIGABEAT RECORDS.. Watch out for his first V.I.M.BREAKS single "COSMIC ARCH/FEAR 2" during 2013!
