CHARLIE KANE

CHARLIE KANE is without a doubt one of the “hottest” names in the modern Breaks scene. The British producer first appeared in the scene back in mid-late 2011 with a killer remix for DEATH PROOF RECORDINGS and an awesome Acidic Breaks burner for BLEACH FEAST RECORDS. Since then he never looked back as he had managed to build a really strong profile in the scene with awesome singles and remixes for top labels like LOT49 RECORDS, V.I.M.BREAKS, AUX TECHNOLOGY, DIABLO LOCO RECORDS, KINDCRIME RECORDINGS, ELEKTROSHOK RECORDS, IN BLOOM RECORDINGS and many more. Charlie is a prolific producer with awesome qualities and great sense of groove! Watch out for more by him in our label during 2013!
