### SPYKE

Spyke is a prolific French Breaks/Electro producer hailing from Avignon, France. He first appeared in the scene back in 2008 with some killer releases for KRISPY BEATZ RECORDS and YOUNG NRG PRODUCTIONS. Phat beatz, awesome acidic and electro influences trademarked his sound as he had managed to build a strong profile in the scene. In 2011 he had released his first proper single for V.I.M.BREAKS (V.I.M.BREAKS103 "BREAKZ ARMY") which gained strong support and chart success and followed by killer releases for GROUND LEVEL RECORDINGS. 2013 seems to be a really productive year for him as he had managed to release another killer remix for NECRO's "CTHULHUPHANT" single on V.I.M.BREAKS and some awesome Drum n' Bass stuff for LEYKO and SOUNDFIELD RECORDS. Watch out for his second proper V.I.M.BREAKS single entitled "BURNING" during 2013.
