T.R.O.

Oliver Leuxner aka T.R.O. Is without a doubt one of the key members of V.I.M.BREAKS family and one of the best producers of the modern Breaks scene. Hailing from Berlin, Germany, T.R.O. is an awesome producer with great sense of rhythm, killer breaks n' beatz and awesome old-skoolish/garage feeling. Label owner of the rather excellent FURIOSO RECORDS he's been releasing stuff since 2005 and managed to build a really strong profile in the scene with awesome stuff for labels like MASCHINEN MUSIK, DIGITAL SENSATION UK, APE MUSIC, CHIPSOUND RECORDS, DEFINITION:BREAKS RECORDS, FURIOSO RECORDS, BOTTLEG BEATS, AUSTERO RECORDS and many more. His first release for V.I.M.BREAKS was a remix for ADAM FAZ's-EVIL CIRCUITY single back in 2011 and since then he managed to release 2 original singles and 2 remixes for our label. Watch out for more by him during 2013!
