TOM CLYDE

Based in Moscow, Russia, TOM CLYDE is one of the best Breaks producers/djs of the Russina Breaks scene. He was first appeared in the scene back in July of 2011 with the single "CELDERS" (V.I.M.BREAKS108) which gained strong support, positive reviews and chart success in BEATPORT. In October of the same year he released his second single called "ZEITGEIST" for Breakspoll awarded DIABLO LOCO RECORDS and since then he managed to build a really strong profile in the scene with singles and remixes for V.I.M.BREAKS, DIABLO LOCO RECORDS, SCARCITY RECORDS, KINDCRIME RECORDINGS and KICK IT RECORDINGS. Tom is also a member of the Breakbeat Zone Crew and a rather excellent dj with appearances to many gigs and festival in Russia and Europe. Watch out for more releases by him during 2013.
