XEN OCHREN

Evan Morgan aka XEN OCHREN is a killer producer, sound designer and dj from Melbourne, Australia. His sound is deep, with Proggy and Psy influences balancy mixed, bashed with a Techno flavor! His first single "HEART" was released back in January of 2011 for MK837 RECORDS and since then he never looked back. February of the same year he released his first remix for V.I.M.BREAKS (for T.R.O.'s "GINNIE" single), then he released the Techno EP "THE FIRST PEACE" for BENNY RECORDS. His first proper single for V.I.M.BREAKS was "BEARDS OF DOOM" which gained strong support and chart success followed by the "TENSIONS" single (together with BEN MOORE) released on June of 2012. This year XEN OCHREN managed to release a superb floating remix for DIGIBOX "KRYPTON" single and lately a Psy-Trance remix (together with BEN MOORE) for SONIC ELIXIR RECORDS. Watch out for more by him in the near future!
