TOEFINGER

Tom Jones aka TOEFINGER is a young rising Electronic producer from Exeter, UK. Started with a Drum n' Bass/Dubstep oriented sound he switched to Breaks since a year now with dope results. His first single (NEW BEGINNING/PHOTON) released for V.I.M.BREAKS at the end of October 2013 and gained strong support and chart success. His quality, killer floating Psy-Breaks sound with Techno touches caused a lot of stir in the scene while the rising producer is preparing more remixes and originals for our label and YELLOWFINGER COMMUNICATIONS! Watch out for more by him in the near future!
