Safe...

Thanks for the Space!

I shall post this about a few more places on here, Love this radio station too.

Here is my Blog hope you guys enjoy, very regular uploads.

Most of my Media is on youtube.

I use Ableton and vegas for my projects, Im familiar with most music software, FL and Reason are also installed. Anybody want to work on something let me know.

I've copied and pasted, probably broke some rules, appologies in advance
