JOURNEYMAN vs BARRcode

Adrian Barr (aka Barrcode) and Ian Vilarelle (aka Journeyman) are the guys behind the awesome JOURNEYMAN vs BARRcode duo. Veterans in the Breaks scene as they've been releasing top quality stuff for various labels since 2005 while they've managed to build a really strong and productive profile all those years! They've got some awesome vinyl releases for BORN IDLE RECORDS, HO-JU RECORDS and FRESH PRODUCE RECORDS, and some dope digital singles and remixes for DUSTED BREAKS RECORDS, MUTATE RECORDS, SUBTRIBE RECORDS, GROUND LEVEL RECORDS and DIGITAL SENSATION UK RECORDS. Their sound travels through all aspects of Breaks music and ranging from Ragga-Breaks to Jungle Breaks and Proggy-Breaks to Old-Skool Breaks! They've released two superb quality remixes for V.I.M.BREAKS and the rather excellent "TAKE ME UP" V.I.M.BREAKS SPECIAL EDITION SINGLE which gained strong support and great chart success. Watch out for their forthcoming album and more by this top quality duo for our label.
