FM-3

Fran Marchante aka FM-3 is a young, fast rising Spanish breaks producer and one of the “fresh blood” artists of V.I.M.BREAKS family. With a phat, dope and super sexy Funky n' Booty breaks style he has managed to cause a lot of buzz in the scene having some really tasty releases and a lot of wicked mash-ups/free-download remixes. His first release was a dope remix for KL2's “POUND THIS SOUND” single on SOUND PERFECT BREAKZ RECORDS back in April of 2014, followed by more quality remixes for labels like MOVE IT! RECORDS, SOUND BREAK RECORDS and GIGABEAT RECORDS. His first proper single “GROWING UP” for V.I.M.BREAKS released February 2015 gained strong support and great chart success while his last original track for NOISYBREAKS is flying high the flag of funky Breaks excellence! Watch out for more by this rising producer during 2015!
